

Merrose Barn

Location: Portscatho

Accommodates: 4

cornwalls
cottages.co.uk

Merrose Barn is a very comfortable and well equipped barn conversion on a quiet farm just to the north of Portscatho close to the little village of Rosevine. It is a great base for walkers as the Coast Path is just over 10 minutes walk away. The little beach at Cugurrel is also a delight (and very quiet!). The Owners of Merrose Barn run the superb Roseland Paddle & Sail sailing and windsurfing school at Percuil and can provide lessons and hire.

The barn itself sleeps a young family of four comfortably, but can also sleep up to six people if required with the use of a futon sofa bed in the lounge area. There is a good sized double room and a smaller bunk bedded room. The lounge, kitchen & dining area is all open plan with French windows onto a small little south facing patio area which is a superb place to relax. There is also plenty of space for children to run around close to the barn.

Accommodation

Ground Floor only: The front door opens into a porch & then the open plan lounge, kitchen and dining area. A corridor leads off to the double room, bunk bedded room and bathroom.

External: The French windows open onto the patio area.

Facilities & Services

Heating is via gas central heating. There is a TV, DVD & Video player in the lounge. The kitchen is fitted with a range of cupboards and has a dishwasher, microwave, fridge/freezer and electric cooker. A washing machine is available in an outbuilding.

Miscellaneous

Bed linen is provided, but you will need to bring your own towels & beach towels. There is parking available for up to 2 cars outside the barn. Regrettably dogs are not permitted in the barn. We regret no smoking is permitted.

Nearby

The village of Portscatho is nearby and has a good local convenience store, an excellent butchers, Post Office, pub & restaurant. The harbour village of St Mawes is only a short drive away and has a number of pubs, hotels & shops. The excellent Roseland Inn at Philleigh is nearby which does great food.

Arrival / Departure is on a Friday and short breaks are available in the quieter times of year.
