Olas Cottage

Location: St Mawes

Accommodates: 5 plus sofa bed

Olas Cottage is a comfortable 3 bedroom bungalow located on a quiet, private road and is an ideal base for exploring St Mawes and the beautiful Roseland Peninsula. Although there are very limited sea views from the property itself, it is only a short walk down the hill to the idyllic harbour with its shops, pubs and restaurants. You can catch a ferry to Falmouth, Truro or Place Manor from the harbour which means you can lock up the car for the whole and explore by foot!

St Mawes itself really is a wonderful place to spend a holiday. Staying at Woodhambury, you would not need to get in your car all week. Walk down to the harbour in the morning, enjoy a coffee and croissant in the summer sun while watching the ferries come and go! Catch the ferry to Place Manor and stroll along the stunning coastal footpath around St Anthony's Head or catch another ferry to Falmouth and visit the National Maritime Museum! There is an endless list of things to do and it is just great to stay in St Mawes!
